Insurance Training

January–August 2010
Texas Department of Insurance
Provider Number 32319

Equal Opportunity/Equal Access Institution

Tarrant County College South Campus Continuing Education Services has

been involved in insurance training for more than 20 years. During that time we have evolved and changed, and we are still growing.

We offer training in three different formats to meet your needs:

- * Classroom
- * Internet Delivered
- * At Your Site

Our classroom-based courses (continuing education and adjuster training) are located on South Campus just off I-20 and east of I-35.

Our Internet-delivered courses include reviewing for the American Insurance Institute exams, studying for Public Adjuster, and soon we will be offering both agent and Insurance service representative training—all from YOUR desk.

If you have 14 or more participants, we will be happy to come to you with our training to set a schedule that fits your needs.

Adjuster Training

We offer both All Lines Adjuster Training and review for the Public Adjuster exam.

If you desire to work for an insurance company as an independent adjuster or an employed adjuster, you will want to take All Lines Adjuster Training. Our course is approved by the Texas Department of Insurance (Provider No. 32319), so it includes two chances at the approved exam. An All Lines license will allow you to adjust any type of claim from catastrophe to workers compensation.

We offer a review course for individuals desiring to become Public Adjusters. These individuals represent property owners in property-only claims. In order to become a Public Adjuster, you must pass the state-approved exam at Thomson-Prometric and post a bond.

Details on adjuster licensing can be found at

Continuing Education Services

Continuing Education for All Licensees

Need to get your continuing education? We have a 13-hour general CE course, and a 2-hour ethics/consumer protection class. This course is offered on campus (classroom) every November, March and August. The course is revised every year, so come see us once a year, and you will have all 30 hours taken care of.

We can also take this course (or the All Lines Adjuster Training course) to YOUR facility. A minimum of 14 participants is required. We will also schedule this class to meet your schedule.

For those of you who just can't get away, in the fall, we are planning a CE weekend. Take a Saturday and Sunday to get 15 hours of CE including Ethics/ Consumer Protection.

Details on CE requirements can be found at
www.tdi.state.tx.us
Texas Department of Insurance
